

DPD-3616-61

9 June 1961

MEMORANDUM FOR: Acting Chief, DPD-DD/P

SUBJECT: Pending Visit of Representatives of IG to DPD

1. This memorandum contains a recommendation for your approval in paragraph 3.

2. In September 1960 I made a recommendation with regard to the scope of the Security briefing for the IG team which was scheduled to visit DPD in September 1960. Their visit has been delayed. In April 1961 we received the concurrence of the DD/P to afford this team a very limited briefing on Project OXC. (See my memorandum dated 21 April 1961 attached.)

3. In view of the fact that since September 1960 we have had prepared revised Security briefing brochures (copies attached), it is recommended that the Security briefing of the IG team pertaining to these special projects in essence be limited to the facts set forth in the attached brochures.

4. For your information I ascertained from Miss [redacted] Secretary to Mr. Kirkpatrick who made an inquiry while I was on the phone, that the IG team will arrive in DPD no earlier than 17 June 1961. [redacted] then added that she doubts they will arrive that early.
